John Maleno to Hand House Keys to "Extreme Makeover: Home Edition" Design Team

What is happening today: Today, builder John Maleno will hand the keys to Clara Ward's new home to the "Extreme Makeover: Home Edition" design team so they can begin decorating the home. The key handoff is scheduled for 3 p.m. Ward's home will be filled with furniture from local retailer John V. Schultz.

"We are thrilled with the progress of Clara's home," Maleno said. "The hundreds of volunteers have been working so hard and we are all excited to finish our part of the project so the 'Extreme Makeover' designers can begin their part."

About Maleno Development

Co-founded in 1976 by John Maleno and his wife, Lynn, Maleno Development began as a husband-and-wife building and remodeling operation in Erie, Pa. Since then, the company has built more than 1,000 homes and apartments in their hometown. Maleno Development has changed the face of many Erie areas by creating beautiful neighborhoods and residential communities on otherwise undeveloped lands. What started with the Calico Fields subdivision off of West 38th Street now includes 13 residential developments. Today, five of John Maleno's seven children, his sister and his son-in-law are part of what is now a full-service real-estate team that specializes in construction, land development, property management and real-estate sales.
