**Clara Ward and Family to See Extreme Home
When Ty Pennington Shouts, "Move that Bus!"**

Reveal Should Take Place Between 1 and 2 p.m. Thursday

What is happening tomorrow: Spectators wanting to take part in the "Extreme Makeover: Home Edition's" "Move that Bus!" event should arrive at the site between 9 and 10 a.m. Thursday.

Builder John Maleno and his family will be on hand to see the reaction of Clara Ward and her family when they first see their new home.

The ABC crew will be filming crowd, bus and limousine shots for the television show beginning at 10 a.m. Spectators are encouraged to bring with them positive signs and their own water and snacks. They are encouraged to wear comfortable shoes since there will be long periods of waiting. And should there be rain in the forecast, they should bring with them raincoats and umbrellas.

Free spectator parking is available at Bayfront and State streets near the Erie Maritime Museum. A shuttle will run to and from the site beginning at 8 a.m. Spectators may take canned goods, children's books and gently used toys with them on the shuttle as part of a suggested "Read & Feed Admission" to the event. The blood drive will continue Thursday from 8 a.m. to noon for spectators, vendors and volunteers to donate blood. The Community Blood Bank will have its mobile unit stationed at the volunteer check-in area, located at East 21st and Wallace streets.

During Thursday's festivities, a raffle will take place naming four lucky winners who will receive a private tour of Clara's home with builder John Maleno and production coordinator Rachel Kielborn. Since the extreme build began, volunteers have been selling \$10 raffle tickets for the exclusive tour that will take place Friday, July 3. All proceeds will go to the Maleno Family-to-Family Fund established by the Maleno family to fund future building and renovation projects in Erie.

About Maleno Development

Co-founded in 1976 by John Maleno and his wife, Lynn, Maleno Development began as a husband-and-wife building and remodeling operation in Erie, Pa. Since then, the company has built more than 1,000 homes and apartments in their hometown. Maleno Development has changed the face of many Erie areas by creating beautiful neighborhoods and residential communities on otherwise undeveloped lands. What started with the Calico Fields subdivision off of West 38th Street now includes 13 residential developments. Today, five of John Maleno's seven children, his sister and his son-in-law are part of what is now a full-service real-estate team that specializes in construction, land development, property management and real-estate sales.
